Our pies are made with fresh, honest ingredients, locally sourced as much as possible. Our pies are graded by the sweetness like a bottle of wine. #1 being tart to #10 being sweet. To make them sweeter, there is an extra charge. We suggest that you add ice cream or whipped cream to make them sweeter for your personal taste.

“We feed the hungry one pie at a time.”

Giving 5% of the profits to feed the hungry by supporting Community Garden Projects and Food Pantries.

Sedona Pies makes adult gourmet pies made with naughty ingredients..
